

SEX OFFENCES: HISTORICAL VOLUME 2

327.12 Digital/oral penetration Child then aged 10-12 Defendant then aged under 18 years Post-2014 guideline case

Footnote 1028 should read: It is unclear whether the victim was aged 10+ or not. As the defendant is entitled to the benefit of any doubt and as sexual offending is usually more serious the younger the victim is, the case is listed in the Victim aged 10-12 section.
